Forecast For Scotland
Issued by Met Office Aberdeen
at 1600 on Saturday 04 Dec 2021

++ Valid for broadcast between 1800 and 0600

Headline:
Dry, bright Sunday in most places. Showers continuing in Northeast.

This Evening and Tonight:
Central and western Scotland mostly dry with clear periods and a touch of frost. Rain with snow on high ground will continue over Northeast Scotland and parts of east coast along with strong northerly winds.

Sunday:
Most of Scotland dry, cold with the best of the sunshine in the west. Showers will continue over Northern Isles with a few along east coast. Lighter winds.

Outlook for Monday to Wednesday:
An unsettled start to the week, outbreaks of rain and snow on Monday. A brighter day on Tuesday but cloud and rain moving into the west later. Very windy Wednesday.
